phone #: 219-226-5861  
address: Hickory Hills, Illinois

## OBJECTIVE

A recent Computer Science student aims to use my learning experience and knowledge to obtain an internship position or job in which I can contribute my abilities in developing, testing, and solving problems of software products.

## SKILLS

- Technical skills:  
Programming languages: C++, Java  
Software: Microsoft Word, PowerPoint, Excel
- Personal skills:  
Languages: English, Vietnamese  
Time management: Allocating time to perform tasks becomes more appropriate and effective  
Problem-solving: Having the ability to analyze and make decisions to handle undesired situations

## STRENGTHS

- Enthusiasm - eager to learn new things
- Sympathy - trying to understand the feelings and conditions of others from their point of view and understanding the importance of doing so in a business
- Strong work ethic - having a high sense of responsibility and always trying to do my best in the assigned work

## EDUCATION

2020 - 2022 | MORAIN VALLEY COMMUNITY COLLEGE, PALOS HILLS, IL

- Associate Degree in Science
- GPA: 4.0

2022 - Present | LEWIS UNIVERSITY, ROMEOVILLE, IL

- Bachelor of Science in Computer Science
- Degree expected: May 2025

## AWARD

- College Foundation Retention Scholarship
- University Transfer Achievement Award
